Bauxite imports from Rodak in Hungary to East Germany in May 1953 included: 3,347.8 tons sent to Greiz-Doelau; 2,150.8 tons to Graefenhainichen; and 891.1 tons to Dresden-Reick.

Comment. Bauxite imports in May were considerably lower than in April, when a total of 26,742 tons was imported. It is believed that the present report is incomplete, because the Lauta Works in Schwarzkoln, which alone received almost 20,000 tons of bauxite in April, was not included.
